HIDDEN VALLEY Grose Vale

Only 10 minutes drive from North Richmond and situated in 40 Acres of lush rainforest, this stunning 'sanctuary' is privately positioned in the foothills of the Blue Mountains and yet only 90 minutes drive from the CBD. Helicopter access brings this Haven even closer.

Offerings here include natural spring fed water and a spacious convict hewn sandstone residence with Spanish slate roof tiles and return verandas. The home comprises of a lounge with a large open log fireplace, a separate dining room, opening onto a paved courtyard and sparkling rock pool with a waterfall, so ideal for outdoor entertaining. An underground wine cellar, five bedrooms, two bathrooms, (main with ensuite) study, kitchen and family opening onto verandas and gorgeous vista. Past the main home stands a disused tennis court plus a housekeeper's self contained cottage including two bedrooms, a sitting and dining room and bathroom with a flight of king parrots. Even further away there are five self contained holiday cottages built in Settlers' Style design. Four of these with two bedrooms and one with four bedrooms. Featured in 'Home and Away', 'Getaway' and Cosmopolitan shoots, it still offers great potential for further improvement and or future development.
